On Monday, June 23rd, the sound of music will animate the calendar of the Jewish faith. "Around the Year in Song" is a musical tour through the sounds and sights of the festivals. "Tradition comes alive through song" is how Rabbi Zalman Carlebach of Chabad of Downtown describes the event. "It will be an uplifting musical as we journey throughout memory lane."

San Diego Men's Choir will open the evening. Rising Star, Benny Friedman will be accompanied by the music of world-renowned pianist, Sha-rone Kushnir and The 8th Day Band.

From his earliest years music was always a part of Benny Friedman's life. Benny's new moving shows have become a huge hit all along the west coast. "Benny has been blessed with a voice that melts hearts and a stage presence to match it. His presentation of everyone's holiday favorites will be one that you can not miss," says Rabbi Zalman Carlebach.

The concert will be held at the San Diego Repertory Theatre, on June 23rd at 7:30 pm.
